Please find enclosed:

- Formation of the Leagues for 2011/12 Season;
- The Interim Club Directory for 2011/12 Season. Please note that this is for internal club use only. Some people have asked that their details should not be published on the league's website, so they should not be published on individual club websites. If you wish to publish a list, please contact me and I will provide the edited version, suitable for a website;
- Player Registration Form for 2011/12 Season. These must be completed by each club for every event entered and sent to the correct Match Results Coordinator at least THREE clear days before the club's first match in that event (or 31st October, if earlier);
- Player Nomination Form. This must be completed where a club enters more than one team in any event and sent to the correct Match Results Coordinator at least THREE clear days before that team's first match;
- Official results sheets for the Ladies 4, Mens 4 and 6, Mixed and Medley A Leagues. These must be used this season. Please do not re-use previous seasons' results sheet blanks;
- Minutes of the AGM held on 21st. June 2011;
- Copy of the League Rules for 2011/12 Season. There are changes to rules 18, 26, 27 and 28;

PLEASE CHECK YOUR CLUB'S ENTRY IN THE MATCH DIRECTORY AND TELL ME OF ANY ERRORS YOU SPOT.

Please ensure that all your team captains are provided with a copy of the League Rules and a supply of results sheets for each of their home games. You may also want to give them a copy of this circular! Also remind them that every results sheet **MUST** show the surname and first name of each player as it appears on the Player Registration Form. The club is responsible for ensuring that the signed Results Sheet is sent to the correct Match Results Coordinator within 7 days of the date of the match. If posted, the postmark will be taken as the date of posting and no excuses will be accepted.

All fixtures between two teams of the same club must be played before the end of December.

Fixtures should be played on the date agreed at the Fixture Meeting but where the two clubs agree a new date the HOME club must advise the appropriate Match Results Coordinator within 7 days (see Rules 20 and 24).

This year, for the first time, you can use email for all three coordinators. The mixed and medley league team captains can, if they wish, send results, nomination forms and player registration forms as email attachments. Note that score sheets must be scanned because they have to contain the signatures of the team captains.

And finally, if you lose or require additional copies of these documents, all of them will soon be available on our league website at www.swhibl.co.uk.

Enjoy your badminton.
